BENEFITING TEXAS SCOTTISH RITE HOSPITAL FOR CHILDREN
WELLSTONE'S
DALLAS WHITE ROCK MARATHON
DECEMBER 9, 2007 - RUNTHEROCK.COM

When generous people partner with a bank that truly cares for its community, great things can happen. Things like supporting The Dallas White Rock Marathon and Texas Scottish Rite Hospital for Children.

NexBank is proud to be the presenting sponsor of the marathon. We're equally proud of the commercial lending and private banking services we bring to our community. Call us today and ask to speak with a Private Client Advisor to learn more about how we can support your interest.* And your community.

***Open a qualified account and a minimum donation of $2,000 will be made in your name to Texas Scottish Rite Hospital for Children.**

Thank you for helping us run our race!

At Texas Scottish Rite Hospital for Children (TSRHC), we are grateful to every runner, volunteer, civic leader, sponsor and the Wellstone's Dallas White Rock Marathon Board and committees for making the 2007 Wellstone's Dallas White Rock Marathon presented by NexBank a huge success! On behalf of each child treated at the hospital, thank you for your support. The participation and dedication of every supporter helps TSRHC to build on its more than 85 years of providing exceptional care to Texas children with orthopedic conditions, certain related neurological disorders and learning disorders, such as dyslexia, at no cost to patient families. Your steadfast commitment to this event illustrates that there is more to a race than running. We can't wait to see you at the finish line in 2008!

Patient Champions Cody, age 6 of Colleyville, and Aaron, age 17 of Fort Worth, as they cross the finish line after running a one-mile stretch of the race.

For more information about TSRHC, to volunteer or to make a donation, please call (214) 559-5000 or (800) 421-1121 or visit www.tsrhc.org

Dear Friends,

My name is Jaclynne "Jac" Bedrossian. I am 12 years old and a patient at Texas Scottish Rite Hospital for Children (TSRHC). This year, I had the honor of representing TSRHC as the Junior Race Director for the 2007 Wellstone's Dallas White Rock Marathon presented by NexBank (WDWRM). As Junior Race Director, it was my privilege to be the face of the children of the hospital and help the community understand how the patients of TSRHC directly benefit from the support of events like WDWRM.

This year's race was truly awesome! It was a joy to be a part of the excitement of the day, from the countdown at the start of the race, to the check presentations and post-race party, the participation and dedication of every supporter helped make this year's marathon a huge success.

On behalf of the thousands of children of TSRHC, thank you for your involvement in the "The Rock." Your support, whether you are a runner, sponsor, volunteer or spectator, helps TSRHC to fulfill the dreams of its patients. You truly helped to make this "a great race, in a great city, for a great cause!"

Thank you very much!

Jac Bedrossian

Dear Runners

We dodged a bullet…the weather forecast was iffy all week, with forecasts of unusually warm weather for race day to the possibility of a cold and very wet day. Local media would ask us the same questions as the weather forecast changed throughout the week: "What are you now doing to prepare for the weather this weekend?" We had an abundant supply of both ice and heat sheets on hand just in case.

As it was, the day before the race set a new high temperature for the area, and the cold and very wet started moving in shortly after midnight the morning of the race. The associated thunderstorms magically parted as a cold front moved over Dallas, sparing the runners the intense storms that disrupted air traffic at D/FW Airport, and flooded areas to the east. The weather we had in 2007 is unusual, as typically the weather for our race is bright and sunny, with temperatures ranging from a low of 37° to a high of 55°. This is the weather we are predicting for our 2008 race!

We had very talented fields in the full and half marathons, with James Koskei running a 2:15.09 to win the men's division and the overall Cooper Complete Gender Challenge, and Emily Samoei running a 2:35:25 to win the women's division. In the Half, Ridouane Harroufi blasted a 1:03.03 to capture the men's half division and Jacquline Nytipei posted a 1:11.46 (a new women's half marathon course record) to win the women's half division. Even our winning relay team, Running Wild from Holliday, Texas, posted an unbelievably quick time of 2:25.44!

We experienced an unprecedented record number of runners this year, with the marathon quickly capping out at 5,000 registrations, and the half marathon at 6,000 registrations prior to race weekend. As a result of the number of runners who complained they missed out on our 2007 race, we will enlarge the field by an additional 2,000 runners, allowing a total of 17,000 participants in 2008.

NexBank was added as a Presenting Sponsor to our event. NexBank provides private banking and wealth management services, and fielded a team of approximately 140 runners at our Mayor's Race the day before the marathon. We're excited to have NexBank as a partner and hope you get to know them as we have.

The 2008 race takes place on Sunday, December 14, 2008. Due to the proximity to the holidays, we are adding new features during race weekend that highlight some of the best the season has to offer – stay tuned for big announcements in 2008!

See you at the Start Line!

Hightower — I just wanted to thank you for the best 2007 Wellstone White Rock Marathon experience. This was my first full marathon

You ROCKED!

Congratulations, runners!

Today you almost broke up with RUNNING.

Today RUNNING shook you out of bed

and into the deep, dark cold.

Today, once again, around mile 2,
lungs full of air, pupils full of sunrise,
you remembered,

"Oh yeah, this is why we got together."

Man, tough love is complicated.

THE 768

Complicated, yes, but we'll help you keep it together. The stability system found in the 768 provides a smooth transition from heel strike to toe off. And this optimal rigidity provides support for a long, stable relationship with RUNNING. Everything we do is geared towards helping you love RUNNING more.

LOVE/hate. this is the new balance

What you get out of your race depends on what you put into your training.

Experienced racers know: You've got to train with what's on the course. In most cases, that's Gatorade® Endurance Formula. With 200mg. sodium per 8oz. serving, twice the amount found in Gatorade Thirst Quencher, Gatorade Endurance Formula was specifically designed to optimize hydration by encouraging drinking and superior fluid retention. To find a retailer near you or order online, go to EnduranceFormula.com. If you race with it, train with it. Because it works.

Victory Award for Excellence

Irving Adelstein

The Award for Excellence is given annually to an individual or organization who has demonstrated the positive effects of running on health and fitness through outstanding effort, determination, commitment and courage. Recipients of this award must excel in one or more of the following areas: Made a major contribution to the sport of running or to the Dallas running community; overcome significant impairment or personal tragedy to run; experienced a major lifestyle change through running; made a major impact on the life of others; or achieved outstanding performance in running.

The 2007 winner of the Award of Excellence, Irving Adelstein, is well known to those of us who work with the Dallas White Rock Marathon, as well as Dallas runners at large. Irving was a runner before running shoes were invented and continues to run to this day, most recently completing our half marathon with his 24 year-old grandson Josh in a time of 2:53:52. Irving was instrumental in starting the Dallas White Rock Marathon, was the first official commercial sponsor of the race (Adelstein Jewelers), and is not only one of the longest tenured board members, but also one of the most active.

Over the years Irving has introduced the Dallas White Rock Marathon to a number of first time marathoners, as well as encouraging many others to participate in the race. Irving was instrumental in naming Texas Scottish Rite Hospital for Children as our benefactor, and was also involved in moving the race to downtown Dallas. Irving continues to provide guidance to board members, vendors, sponsors and runners, and is a large reason the Dallas White Rock Marathon is the race it is today.

"New & Improved" is usually anything but. Toothpaste promising white teeth. Multi-blade razors boasting the closest shave ever. And yes, car companies claiming innovations that are neither new nor improved. Like you, we've had it with so-called improvements that only end up empty promises and splashy packaging. Our solution? How about an available 257-hp V6 engine, 6-speed automatic transmission, and 17" alloy wheels? Or 6 air bags,[1] 4-wheel independent suspension, and active head restraints? Hey, we've all been seduced by sales gimmicks. But it's what's inside the pretty packaging that counts. Just something to rethink about.

TEXAS SCOTTISH RITE HOSPITAL FOR CHILDREN
www.tsrhc.org

On behalf of Texas Scottish Rite Hospital for Children (TSRHC) and its Patient Champions, thank you for participating in the 2007 Wellstone's Dallas White Rock Marathon presented by NexBank. For more than 85 years, the hospital has provided care for more than 180,000 children across the state of Texas, at no charge to patient families. Your support and commitment are truly inspiring and help to make a difference in the lives of thousands of patients at TSRHC. Thanks to all the families and friends that pledged to run in honor of these great kids! We hope their stories and involvement in the marathon inspired you to reach the finish line.

At the age of 3 weeks, **Kelsey Andrews**, age 13 of Rowlett, became a patient at TSRHC. Kelsey is a prosthetics patient at the hospital and represented TSRHC as Junior Race Director in the 2006 Wellstone's Dallas White Rock Marathon. Kelsey appreciates the doctors at TSRHC and their encouragement to face challenges with a positive outlook, and in turn, she motivates others to approach hardships with a positive attitude. Kelsey is an exceptional student, active in student council and acting at her school.

Aaron Gill, age 17 of Fort Worth, is a prosthetics patient at TSRHC. A senior in high school, Aaron plays varsity football, is co-captain of his wrestling team, a member of his school's varsity track team and is involved in acting. He enjoys giving to others through community service activities and hopes to attend Baylor University or Abilene Christian University next fall. This year, Aaron ran a one-mile stretch of the marathon in support of TSRHC.

Cody McCasland, age 6 of Colleyville, was born with a condition called sacral agenesis. Cody has been a prosthetics patient at TSRHC since the age of 15 months. By the age of 17 months, he was fitted with his first prostheses and was walking with assistance. Cody continues to amaze everyone as he completed his first 5K at age 5, and he ran a one-mile stretch of the 2007 marathon with his friend, Aaron. With his courageous spirit, can-do attitude and award-winning smile, Cody captures the heart of all those he meets.

May Bracy, age 5 of Dallas, has been a TSRHC patient for three years and receives treatment for a condition called tuberous sclerosis complex (TSC). May spreads cheer and joy to others with her happy-go-lucky attitude and love for life. She has a big personality and loves to meet new people. She enjoys singing, dancing, swimming and visiting TSRHC.

Three-year-old **Micah Diffee** of Forney, has been a patient at TSRHC since 2004 where he is treated for a condition called caudal regression syndrome. Micah always has a smile on his face, and he brings joy to everyone he meets with his outgoing personality. He enjoys spending time with his family and playing with his older brother, Tanner, and new sister, GeriAnna.

Twelve-year-old **Jaclynne "Jac" Bedrossian** of Frisco, became a patient at TSRHC in 2006 for scoliosis. Jac cheers competitively, plays the piano and performed in a stage production of the hit movie, Disney's "High School Musical," through the drama department at her school. Well-rounded in both the arts and academics, Jac was selected to participate in the 2007 Duke University Talent Search, as part of the Duke University Talent Identification Program, which recognizes seventh grade students for high achievement on standardized test scores. Jac was chosen as the 2007 Junior Race Director for the marathon and did an excellent job cheering on the runners.

Scott Hoying, age 16 of Arlington, is a scoliosis patient at TSRHC. Music is Scott's passion in life. He has been singing, writing songs and playing the piano since he was a young boy. At the age of 14, Scott released his debut album, and two years later he released his second album. He is a member of his high school jazz band and also travels throughout the Dallas/Fort Worth area playing at various venues. Scott is friendly, compassionate and has an incredible work ethic, and he plans to continue pursuing his love of song writing and music.

Four-year-old **Ryanne Carr** of Mineola, has been a prosthetics patient at TSRHC for two years. Ryanne inspires others with her bright smile and outgoing spirit. A true gift to others, Ryanne is always cheerful and spreading joy. She enjoys swimming, gymnastics, soccer and riding her bike.

Jordyn Downey, an energetic 16-year-old of Bedford, was the 2005 Junior Race Director for Wellstone's Dallas White Rock Marathon. She has been a prosthetics patient at TSRHC since the age of 5. Jordyn's favorite activities include cheerleading, swimming, volleyball, gymnastics, theater and volunteering. She is also on her school's academic honor roll. Jordyn's fun-loving personality, love for sports and compassion for the hospital and fellow patients exemplify her caring and outgoing spirit.

Kelsey Butler, age 16 of Allen, has been treated at TSRHC for a neuromuscular condition called Charcot-Marie-Tooth (CMT) since she was 5 years old. Kelsey swims competitively with the Allen High School Swimming Eagles and has participated in many other sports outside of school, including wheelchair track and field. It is Kelsey's goal to qualify for the USA Paralympics Team and to represent the U.S.A. at the 2008 Paralympics Games in Beijing, China. Kelsey enjoys working in the local Muscular Dystrophy Association office to help raise research funds for muscular dystrophy, and this year, she helped design the finisher medal for the marathon.

Eric Gonzales, age 13 of Dallas, has been a patient at TSRHC for the past seven years. Eric inspires others with his friendly personality. He is a seventh grader and is involved in various extracurricular activities. Eric enjoys playing video games and loves to watch movies with his family. He is a devoted Dallas Cowboys fan and never misses watching the games with his dad.

(Right) Nichola, age 16 of Colleyville, and Scott, age 16 of Arlington, perform "The Star-Spangled Banner" to kick off both race starts.

2007 Junior Race Director Jac, age 12 of Frisco, and Patient Champion Will, at age 14 weeks

William Butts, born on August 30, 2007, in Midland, is a new addition to the family at TSRHC. He is treated for limb differences affecting his hands and feet and continues to amaze his family and friends with his development. Will's favorite activities are smiling, laughing, being tickled, reading stories and splashing in the bathtub. Ruby, his Golden Retriever, is one of his best buddies.

Sixteen-year-old **Nichola Kouzes** of Colleyville, is a patient at TSRHC. Nichola has been performing and singing since the age of 7, including performances at the main stage of Six Flags, the Dallas Desperados game at the American Airlines Center, Grapevine Opry and Radio Disney. She has won several local, state and regional talent competitions and recently released her first music video. Despite her busy life of school, performing and composing music, Nichola still finds time to entertain at children's hospitals and senior citizen events. She aspires to become a professional performer.

SMU Cox Relay

SMU Cox Corporate Relay Challenge -

For the second year in a row, SMU's Cox School of Business and Behringer Harvard sponsored the SMU Cox Corporate Relay Challenge. The 2007 corporate relay featured 127 five-person teams representing companies of all sizes and in every major industry. This was a 65-percent increase over the number of teams competing in 2006. The top three teams in four categories (Fastest Team, Most Teams, Youngest Team and Oldest Team) received a range of prizes as well as checks totaling $35,000, which were presented to Texas Scottish Rite Hospital for Children on behalf of the winning companies.

A five-person team from Burlington Northern Santa Fe with an average age of 40 won the Fastest Team category with a time of 2:43:15. In the most hotly contested category of Most Teams, TXU and Behringer Harvard tied for first place with 10 corporate teams each. One of the unique aspects of the 2007 challenge was the "5 Months to 5 Miles" program--a training regimen designed by the Cooper Fitness Center to help corporate teams prepare for the race. 2008s competition promises to be even fiercer, as teams vie for the coveted title: Most Physically Fit Company in the Southwest.
